**Deafness Cannot Be Cured**  
by local applications, as they cannot  
reach the diseased portion of the ear.  
There is only one way to cure deafness,  
and that is by constitutional remedies.  
Deafness is caused by an inflamed con-  
dition of the mucous lining of the Eusti-  
chian Tube. When this tube is inflamed  
you have a rumbling sound or imperfect  
hearing, and when it is entirely closed,  
deafness is the result, and unless the in-  
flammation can be taken out and this  
tube restored to its normal condition,  
hearing will be destroyed forever. Nine  
cases out of ten are caused by Catarrh,  
which is nothing but an inflamed condi-  
tion of the mucous surfaces.  
We will give One Hundred Dollars for any  
case of Deafness (caused by Catarrh) that  
cannot be cured by Hall's Catarrh Cure.  
Send for circular free.  
F. J. CHENEY & CO., Toledo, Ohio.  
Sold by Druggists, 75c.

**DIAMOND?**

Minute differences in color,  
cutting, brilliancy and clear-  
ness effect the value of a  
diamond to such a degree  
that its purchase by one  
without experience is most  
difficult, and the selection,  
for the most part, must in  
any case be left to the  
dealer.

For this reason it behooves  
one to be most careful in de-  
ciding the question: From  
whom shall I buy my dia-  
mond?

First of all, "The dealer must  
be reliable."

Second: "The dealer must  
be in a position to buy to the  
best advantage."

Third: "The price must be  
right." "Investigate."

CHAMBERLAIN'S COLIC, CHOLERA  
AND DIARRHOEA REMEDY

This is a medicine that every family  
should be provided with. Colic and  
diarrhoea often come on suddenly and  
it is of the greatest importance that  
they be treated promptly. Consider  
the suffering that must be endured  
until a physician arrives or medicine  
can be obtained. Chamberlain's Colic,  
Cholera and Diarrhoea Remedy has a  
reputation second to none for the  
quick relief which it affords. Obtain-  
able everywhere.—Adv. d4wim
